About This Content

DESYNC Original Soundtrack Vol. 2 - Volkor X

01 - The Duel
02 - Centaur
03 5d3b920ae0

Title: DESYNC: The Original Soundtrack - Volume 2 (Volkor X)
Genre: Action, Indie
Developer:
The Foregone Syndicate
Publisher:
Adult Swim Games
Release Date: 3 Mar, 2017

English

Very good Synthwave/Darkwave (with a brutal electronical lead, Volkor X outdone himeself. 3u20ac for 5 tracks is a bit much, but it should be fine when you buy it in a sale or as a game bundle. No tracks are missing, only if you only buy this second volume of the official OST realease. Well one issue is that the audio files are WAV files which means no Tags/Properties, included album artwork nor the steam music player can detect wav files in the local game files (I simply convertet it into mp3, you can convert it to flac if you dont want to lose any precise data while converting).
