The screenshot shows a web browser window titled "Autodesk Licensing - Activating". The main content area is titled "Product Registration & Activation" and contains the following text:

Thank you for purchasing an Autodesk product.

The next pages will guide you through registration and activation of your product.

If you need help with a field, click the help icon

Enter Product Serial Number.

The serial number you entered is not valid. It either is not an Autodesk Serial Number or it has been compromised.

To ensure you get an authentic Autodesk license, we recommend you buy only from an [Authorized Autodesk Reseller](#) or directly from our [Autodesk Store](#).

If you made your purchase from somewhere else, we suggest you request a refund and return the product. You can also report the issue in our [anonymous License Compliance](#) form.

An "X-FORCE" overlay window is positioned in the top right corner. It features a purple and black background with the text "X-FORCE" in large, stylized letters. Below this, it says "Autodesk 2014 products". There are two input fields: "Request:" with the placeholder "Paste Request here" and "Activation:" with the placeholder "And press Generate". Below these are three buttons: "Patch", "Generate", and "Quit". At the bottom of the overlay, it says "SMOKING THE COMPETITION!"
